Which Category?

Choose the category that best fits what you want judged. You will be presented with levels of categories. You choose a parent category such as Video for the Web, then you will choose a secondary category such as Company Overview. Judges reserve the right to move an entry to another category.

What Do I Include With My Entries?

In most cases the work speaks for itself and the final product is all you need. Explanations, although not encouraged, can be uploaded and will be read by judges.

When Do I Upload My Entries?

During the entry process you will be given the opportunity to include a URL if the entry is online. Otherwise, you will be prompted to upload or mail in your entry after check out. Most formats are accepted. In the rare event the file can't be opened, you will be contacted.

How Can I Get A Receipt?

Receipts and Paperwork will be automatically emailed after checkout.

How Can I Change My Information or Add More Entries?

Through your My Account on our website, you can pay later, upload, add to or manage your account.

Will You Display Or Share My Work?

We recognize the need for confidentiality, permission etc. and will not display or comment on any entries without prior permission from the entrant. However, unless otherwise requested in writing by entrant, client company will be included in winner's list.

How And When Do We Get Results?

All winners will be announced and results will be posted to your My Account by August 1. Since entries are judged against a standard of excellence and not each other, some results will be posted prior to the final date. An email will automatically be sent when results are posted to your My Account.

How Can I Get More Information?

During the entry process there will be a Chat option at the bottom of the page. There is also additional entry information on our website. You can email us at awards@viddyawards.com, or call 214-377-3524.
